

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT  
PERMIT APPLICATION PUBLIC NOTICE**

**February 6, 2009**

**Permit Number:** OCRM-09-809-G  
**Permit ID:** 65882

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Cynthia Carr  
C/o Gasque & Associates, Inc.  
28 Professional Village Circle  
Lady's Island, SC 29907

**LOCATION:** On and adjacent to Ward's Creek at 1918 Sea Island Parkway, St. Helena Island, Beaufort County, South Carolina.  
TMS#: R300-013-000-0092-0000.

**WORK:** The work, as proposed and shown on the attached plans, consists of constructing a private dock. Specifically, the structure will have a 4'x320' walkway with handrails leading to a 12'x12' covered fixed pierhead with water and electricity. On the flood-side of the pierhead a 3'x24' ramp will lead to a 10'x20' floating dock. Additionally, a 12'x12' four pile boatlift will be placed on the ebb-side of the pierhead. The purpose of the dock is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before February 21, 2009. For further information please contact the project manager for this activity, Geordie Madlinger at 843-846-9400.*
